➤ Additional Comments:

Great American Downtown is the 501(c) 3 nonprofit organization that works collectively with public and private partners to enhance the quality of live in downtown Nashua. Our focus areas are marketing; business and community event production; and beautification projects. We advocate for community involvement, public safety improvements, and continuous downtown economic development.

The Winter Holiday Stroll was created to spark community interest and generate economic activity in our downtown shops and restaurants. Over the years it has grown from a small gathering to a large scale event with well over 20,000 attendees.

The event also serves a principle fundraiser for Great American Downtown. We rely on the income of the Stroll and our other signature events to fuel our budget, and allow us to fulfill our mission.

We are looking for performers who can donate their time to this important event. We truly value your talents and time and understand that it is important for performers to make a living as well so we will consider fees on a case by case basis. However, free acts will be given priority for the 2010 Winter Holiday Stroll.
